WELCOME AND CHEERS

Here's raising a merry glass to all our wonderful visitors, exhibitors, sponsors, helpers and staff, who make Wine Festival Winchester so delicious and fun!

This second edition of the festival features more exhibitors, wines, food and activities than ever. Begin your journey at the Follow Your Taste tables, which will help explain how the festival works and guide you to your favourite wines.

Do take advantage of the many exclusive festival discounts. Whether you're on the hunt for the perfect present or just something new to drink over the festive period, here you can taste widely, have fun, and save yourself some money.

And it's not just about the wine! There are other tipples, food and products for sale, plus you can also buy our elegant Wine Festival merchandise on the Festival Tables no.13 and no. 16 - all great Christmas gifts!

Don't forget to enter our prize draw. Our charity partner this year is Home-Start Winchester and Districts, which helps young families cope with the difficulties life throws at them. Please buy tickets for your chance to win some amazing prizes including Bombay Sapphire gin, tickets to Grange Park Opera, a cookery course at Limewood, a free meal at Côte, a mixed case of Exton Park sparkling wine, family tickets to the panto and much more.

We have hundreds of wines at the festival, all of which are free to taste, and your ticket also includes your own Riedel Degustazione glass to take home with you. Samples will be small but please take care not to overdo things: drink plenty of water and use the spittoons, both for spitting and getting rid of wine (please don't feel shy about this – it's what everyone does at tastings!)

We have some limited seating upstairs on the Bapsy Hall balcony; please be careful not to drop things – i.e. don't balance your glass on the edge.

Have a great time – and see you next year!

FOLLOW YOUR TASTE

A NIFTY COLOUR-CODED SYSTEM
DESIGNED TO HELP YOU NAVIGATE
THE FESTIVAL AND EXPERIMENT
WITH CONFIDENCE.

HOW IT WORKS

We've broken wine down into six taste categories and, working with sponsors Farrow & Ball, we've given each category a colour suggestive of its style.

To make it fun, each category has a tongue-in-cheek strapline that sums up the wine style.

Bottles at the festival will carry Follow Your Taste colour-coded neck tags so you can easily spot which wines will suit your taste or your favourite grape varieties. Simple!

WHY FOLLOW YOUR TASTE?

It's an ice-breaker, time-saver, route map and invitation to experiment all rolled into one!

We'll also be handing out coloured stickers for you to wear should you wish to alert exhibitors to your favourite styles, along with bookmarks to take away with more information on your personal taste category.

Come and visit our tables no.13 in the King Charles Hall & no.16 in the Bapsy Hall. We also have some fun themed aprons for sale!

The Chesil Rectory is one of Winchester's finest medieval buildings. It was totally refurbished and re-opened in 2008 by a group of friends, with the aim of creating Winchester's best modern British restaurant using local producers and celebrating Hampshire.

The team, all passionate about food and wine, have now established a relaxed and intimate restaurant providing exceptional quality, service and local menus in a convivial atmosphere.

Head Chef and stakeholder, Damian Brown, has a passion for good quality produce and a talent for creating delicious flavour combinations. His natural ability and drive have won The Chesil Rectory a string of accolades and awards; and has established the beautiful, historic restaurant as a culinary highlight of Winchester.

The Chesil Rectory will be selling their delicious local cheese plates and other goodies over the whole weekend. We'll drink to that!

Parsonage Farm started making and selling charcuterie after training with Hampshire Fare's project funded by The Princes Countryside Fund. All charcuterie is hand-made on the farm using meat reared there, using local seasoning: Upham Beer, Twisted Nose Gin. Packaging is kept to a minimum, to reduce any impact on the environment.

As well as making and selling the charcuterie they also run workshops in butchery, sausage making and charcuterie to try to make all things meat accessible to all. The charcuterie salami can be bought from the farm or on line or at any of the many food events attended, and is on the menu at a number of local restaurants .

Devese Farm is a small family run business specialising in goat meat and goat meat products. We make a range of gluten free sausages and burgers both with our goat meat and rare breed pork.

These are sold along with traditional cuts of meat at Hampshire Farmers Markets and local shows.

Last year we became involved with Hampshire Charcuterie and are in the process of trialling various salamis, biltongs and preserved meats using both the goat meat and pork.

For the last 12 months we have been selling our goat liver pâtés which are mixed with herbs and spirits for example sherry and fennel. We will also have a coarse pork liver pâté ready for the Christmas market. Both pâtés are ideal when teamed with cured meats, cheeses and wine to make an exciting charcuterie board.

Top Note Design is a family business founded in 2012 by cousins Lucy Goulding and Alice Dunhill. If you are looking for an original present for a wine lover this Christmas they have designed a range of great gifts inspired by some of their favourite wines, including glasscloths, placemats, servers and coasters.

They are excited to be back at the Wine Festival Winchester for a second year. As well as showcasing new designs of their own they have hand picked some gorgeous wine accessories.

These include:

- Handmade wooden wine racks
- 'Botti' Cheese boards (each one unique)
- Colourful Corkcicle Wine coolers

Top Note Design will also take bespoke print commissions to create an original print based on your favourite wine.

Jake's Artisan Foods has redefined the English pork pie, elevating it to glorious new heights. Crammed with succulent pieces of perfectly seasoned free-range pork in a classic hot-water crust, each one is proudly made by hand just outside Petersfield in East Hampshire.

Every Jake's starts out with at least 100g of pork shoulder, flavoured only with sea salt, freshly ground pepper and just a pinch of spice. Slow-cooking results in a pie like no other.

And it's that unique nature of a Jake's that makes it a perfect partner: as a canapé with an English sparkling white, lunch with slightly peppery red, or while watching rugby with your favourite ale or cider. They're even fabulous for lazing in the sun with a cold Fino or Amontillado.

But you won't know until you try one for yourself.

A selection of spanish foods will be available.**Olives**

Central to Spain's Mediterranean way of life, the olive is so much more than just a simple fruit. Spain's olives are steeped in history and Spain is in fact the world's top producer of table olives.

Chorizo

Probably the UK's favourite Spanish food product, the most recognisable trait of chorizo is its striking colour, which can range from burnt orange to vibrant red, thanks to the addition of Spanish pimentón, or paprika.

Cheese

More than 100 different cheeses are made in Spain today. This tremendous variety of cheeses stems from Spain's geographical and climatic diversity. They can be made from cows', ewes' and goats' milk and also from different blends of these, with the milk mostly being obtained from native breeds.

When the festive season is but a distant memory, the cold nights of winter can feel bleak and long. What better way to cast aside the darkness than to brighten up your evenings with some fun nights out, sampling the best cocktails Winchester has to offer?

From 1 February to 7 February 2016, we'll be lifting our spirits during the first ever Winchester Cocktail Week.

Across the city, cafes, bars, restaurants and shops will be getting into the swing of things by offering signature cocktails for just £4 each and hosting special events and parties.

With so many venues taking part, this is going to be a great opportunity to explore the city over a week and enjoy drinks that you might not otherwise have tried. You may even discover a new, favourite tippie!

Visit us on table no.40 for a taste of Winchester Cocktail Week.
